6. HOW DO WE KEEP YOUR INFORMATION SAFE?

We aim to protect your personal information through a system of organizational and technical security measures.

We have implemented appropriate technical and organizational security measures designed to protect the security of any personal information we process. 9. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track (“DNT”) feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this privacy policy.
